A Halloween Night

Before you begin, read through the script so you know when to say the name of a family friend who might be out walking a dog or other pet!

NARRATOR
(optional SILLY SPOOKY VOICE)

It was Halloween, and the family
-- [say the name of each person in
your family!] -- were hurrying
home to get ready for the Big
Night! But what would they
encounter on their journey? As
they walked, they heard the sound
of a TWIG SNAPPING!

FOLEY: TWIG SNAPPING

PARENT/GROWN-UP
(melodramatically)

Wow! What was that sound?!?

NARRATOR

Then, behind them, they heard FOOTSTEPS!

FOLEY: FOOTSTEPS

PARENT/GROWN-UP

That definitely sounds like a
person walking, and not just some
shoes on the table! Is someone
coming to walk with us?

NARRATOR

They turned around to see [name of
family friend] waving and walking a dog!

FOLEY: THE CLICK-CLACK of CLAWS

PARENT/GROWN-UP

Oh my! Hello [name of friend], you surprised us! It's nice to see you!

NARRATOR

And so, after that harrowing encounter,
the family made it home to prepare for...

HALLOWEEN NIGHT!

THE END!
