What if you brumated?

Brrrr! As it get's cold, many of the Kidspace Animal Ambassadors take a long winters nap called *brumation*. What would it be like if *you* brumated during the winter?

**What might you
need prepare
ahead of time?**

**Would you need
any supplies?**

**Where would you
brumate? What would
it look and feel like?**

**How would you know
it's time to wake up?**
