

# Metamorphosis Observation

This is my caterpillar \_\_\_\_\_

This is what my caterpillar looks like the day I brought them home.

This is what my caterpillar looks like 1 week after I brought them home.

This is what my caterpillar looks like when they are in their chrysalis.

# Metamorphosis Observation

This is what my caterpillar looks like when they emerged from their chrysalis. Now it's a butterfly!

This is what my butterfly looks like on the day I released them.
