**Celebrates Día de Los Muertos  
with Kidspacé Children's Museum**

*Special Exhibit and Program November 1-6, 2022*

PASADENA, CA (October 27, 2022) Join our celebration of life at the **six-day Día de Los Muertos** (Day of The Dead) festivities, November 1-6 at Kidspacé Children's Museum. The program includes music, art, and a community ofrenda where families can share memories of people and pets who have enriched their lives.

"Dia de Los Muertos is a tradition of celebration and remembrance that reaches back thousands of years," said Lisa Clements, Kidspacé CEO. "Our staff has been preparing by sharing personal stories and gathering items to place on our community ofrenda to honor the people – and animals – that we have loved. We invite families to join in the festivities by contributing either items from home, such as scanned photos or trinkets, or by making paper flowers, clay figures, or drawings at the museum. By the end of our celebration, we'll have a beautiful tribute to love, family, and community."

Personal items from home should represent the lives and interests of loved ones who are being honored. Please do not bring anything valuable, perishable, flammable, or breakable, and keep in mind that the museum cannot return your items.

The Día de Los Muertos celebration continues through the weekend with the music of Las Colibri, an all-female ensemble that plays a unique interpretation of traditional mariachi music on November 5. Técnica Arte y Folklore will thrill guests with the colorful twills and lively steps of
