Winter Frolic Returns to Kidspac Children's Museum

Delightful holiday fun for the whole family

PASADENA, CA (November 11, 2022) Warm and fuzzy holiday fun returns during the 2nd annual Kidspac Winter Frolic, running November 18 through January 8, 2023.

"There's something magical about this time of the year for families," said Kidspac CEO, Lisa Clements. "It's a season for making memories and celebrating our love and connection to each other. Winter Frolic is such a joyful and exuberant expression of the season, it has quickly become a local family tradition."

Families will enjoy a flurry of hands-on wintertime activities, adorable animal encounters, and special performances - and that's just the tip of the iceberg! Winter wishes come true as frolickers twirl and glide and penguin-slide across our no-ice Sock Skating Rink, build a super fort with our blue "ice" blocks, and try stacking "snowballs" in our new Snow Dome. Enjoy all the fantasy fun of "snow play" in sunny California without ever needing gloves!
